A PRESENTATION ON EMERGENCY PREPAREDNESS AND FIRE SAFETY

Monday, November 17th • 1:30 pm

The Needham Health Department and the Fire Department Present at the Senior Center

Emergency Preparedness: Preparedness has become an integral part of all of our lives. It is a shared responsibility with well prepared residents, businesses and town departments. As in every emergency situation the more we are all prepared the better it is for all involved. Learn some simple steps to help you prepare for an emergency and be ready to respond in case of an urgent event. **Fire Safety:** Your home should be a safe haven. But do you regularly check for home fire hazards? If not, there is the potential for danger. Fire departments responded to nearly 400,000 home fires in 2007. That's why planning for an emergency is important and Arthur Hopkins from the Needham Fire Department will be here to help you plan for your home fire safety.

THANKSGIVING DAY DINNER

Anyone who wishes to attend the dinner, needs a ride, or would like home delivery please contact the Needham Community Council at 444-2415 to make your reservations in advance.

DEAR FRIENDS,

Jay Kaplan has accepted our invitation to join the Friends of Needham Elderly Board. We are thrilled to have him with us! When you see him at the Senior Center or around town, remember to thank him for his recent commitment. Welcome, Jay!

A few weeks ago, some of the Friends' Board members joined the Turkey Train Trip and enjoyed an early Thanksgiving dinner – turkey with all the trimmings – while taking a ride around Lake Winnepesaukee! What a treat! This was one of the Friends' trips organized by our member, Jeanne Blakeney.

It got us thinking about how grateful we are for all the friends we have made because of our affiliation with the Friends' organization and the Council on Aging Department. We are thankful for your help and encouragement throughout this past year and hope you all have a wonderful Thanksgiving holiday!!

DEAR FRIENDS,

I know that this is a particularly stressful time for many of us due to the economic crisis we are facing and the fact that winter is coming. Daily I need to remind myself to take a deep breath and to participate in things that will reduce my stress and surround me with support from acquaintances and family.

Thanks to all of your suggestions, input from the professional staff and the hard work of Sherry Jackson, our Associate Director, there is a bountiful amount of educational and leisure opportunities taking place at the Stephen Palmer Senior Center and at various locations throughout town. I know many of you are taking advantage of them and I am hoping that they are helping in the ways mentioned above? If you don't decide to join in the activities remember you can visit the department Monday through Friday, 9a.m.-4 p.m., by dropping by the Center to have a cup of coffee and a chat or to speak to one of the staff to receive useful information or support. Spending time together can help.

Our greatest attempt is to recruit volunteers to teach or lead programs. Although most of our programs are free, some programs have costs in an effort to meet the overall expenses for all programs. Please note, that if you cannot afford a class, we will always offer scholarships.

The human brain is an amazing thing. We use visual images to communicate with one another as a species. We look at images with our eyes, but pictures can connect us to our other senses as well; sound, touch, even taste & smell. We hear the music, feel the movement and can remember events in our lives with all of our senses, just by looking. Join us for some "sensory recall", as we look at images that let us hear, and dance and connect to the world and our own lives.

Please note the Senior Center will be closed from 12:30-2:00pm for the luncheon.

VOLUNTEER OPPORTUNITIES:

The Needham High School community would like to involve as many senior citizens as possible in high school programs. The new high school building is a large place requiring a variety of adults to keep it running smoothly. Ideally, the High School administration would like to have pairs of volunteer senior citizens stationed each day at the main entrance to act as Senior Greeters. The Senior Greeter's main responsibility would be to act as an extra pair of eyes and ears at the school's main entrance and to welcome visitors to the high school community.

The Needham Public Schools (NPS) and the Needham Council on Aging (NCOA) will be partnering for intergenerational volunteer opportunities. The NPS are seeking non-parent volunteers to act as GREETERS in the High School, to offer MATH ASSISTANCE throughout the NPS, and SUPPORT in the NEEDHAM SCIENCE CENTER.

SHINE UPDATE MEDICARE ALERT

Last month, many people with Medicare received a fat package from their prescription drug plan or Medicare private health plan that describes changes to their plan for 2009.

These changes may include: drugs that will no longer be covered, increased monthly premiums and increased co-pays for drugs, doctors' visits or hospital stays. People who do not pay attention to or understand this notice may not find out about these changes until January – when it will be TOO LATE to do anything about it! **DON'T LET THIS HAPPEN TO YOU!** Now is the time to make sure you understand how your plan may be changing and review other plans that are available to you. During the annual Medicare Open Enrollment Period (November 15 – December 31), you can **CHANGE** your plan to one that best meets your needs. This change will be effective on January 1, 2009. For details call 1-800-MEDICARE or visit www.medicare.gov. Call your center **SOON** for a SHINE appointment as they are in great demand! (781) 455-7555
